

## ACSD Board Meeting

November 7, 2016

At 7:50, BOD decided to hold short board meeting in lieu of another meeting in 2016. It was decided that Vickie will be president, Kim vice president, Thea Secretary, Bonnie Treasurer for the coming year.

There was discussion regarding the use of ACSD agility equipment by member not taking classes. Suzanne explained it would be difficult to control nonmember use of equipment, and so the ACSD owned equipment is for class use and ACSD events at this time.

There was discussion re: the current training program curriculum, Suzanne will get it to Bonnie who will scan it to the Board members for review. Board members may be observing classes when they recommence in 2017.

It was proposed to have a 3 month trial period of web maintenance, which would keep costs under the \$400 requiring membership approval. If successful, it can then be put to a membership vote.

Meeting adjourned at 8: p.m.
